Subject: Resignation letter

Dear Sir ,

I hope this letter finds you well. It is with mixed emotions that I write to formally announce my resignation from my position as a Machine Learning Engineer at Devolved AI, effective from 8th August, 2024.

My decision to resign has not been an easy one. Working at Devolved AI has been an incredibly enriching experience, and I am grateful for the opportunities I have had to work on cutting-edge projects in the domain of large language models, model fine-tuning, and more. The knowledge and experience I have gained here are invaluable and will always be a cornerstone of my professional journey.

However, I have decided to pursue higher studies abroad to further enhance my knowledge and expertise in the field of artificial intelligence. Additionally, there are some pressing family matters that require my attention and presence at this time.

I want to extend my heartfelt gratitude to you and the entire team at Devolved AI for the support, guidance, and collaboration over the years. I have truly enjoyed working with such a talented and dedicated group of professionals.

During my remaining time here, I am committed to ensuring a smooth transition. I am more than willing to assist in any way possible to train a replacement or hand over my responsibilities to ensure that ongoing projects continue seamlessly.

Thank you once again for the opportunity to be a part of Devolved AI. I look forward to staying in touch and hopefully crossing paths again in the future.

Wishing you and the company continued success.

Warmest regards,

Md Al Amin Tokder

Machine Learning Engineer, Devolved AI
